

COB All-in-One

**A larger canvas
for the room.**

Integrated COB display formats for
presentations and shared content.

Meeting spaces

Presentation, control and installation

Connect your content

Wi-Fi, USB, network, HDMI and audio interfaces support the selected meeting-room system.

Choose the interaction

Remote control supports common display functions. Infrared touch is an optional configuration.

Installation details follow the selected configuration and site layout.

Configuration at a glance

Display W × H / mm	2K configuration	4K configuration
2,400 × 1,350	P1.25	—
3,000 × 1,687.5	P1.56	P0.78
3,600 × 2,025	P1.87	P0.93
Cabinet format	600 × 337.5 mm	
Maintenance	Front access	

Choose wall mounting or a compatible floor support. Dimensions describe the display area.

Plan your COB All-in-One project

Project context

Share the meeting-room dimensions, audience size and typical viewing distance.

Technical needs

Confirm the presentation sources, control system and optional touch requirement.

Details to confirm

Provide wall or floor support conditions, power and network locations.
