

# TLP

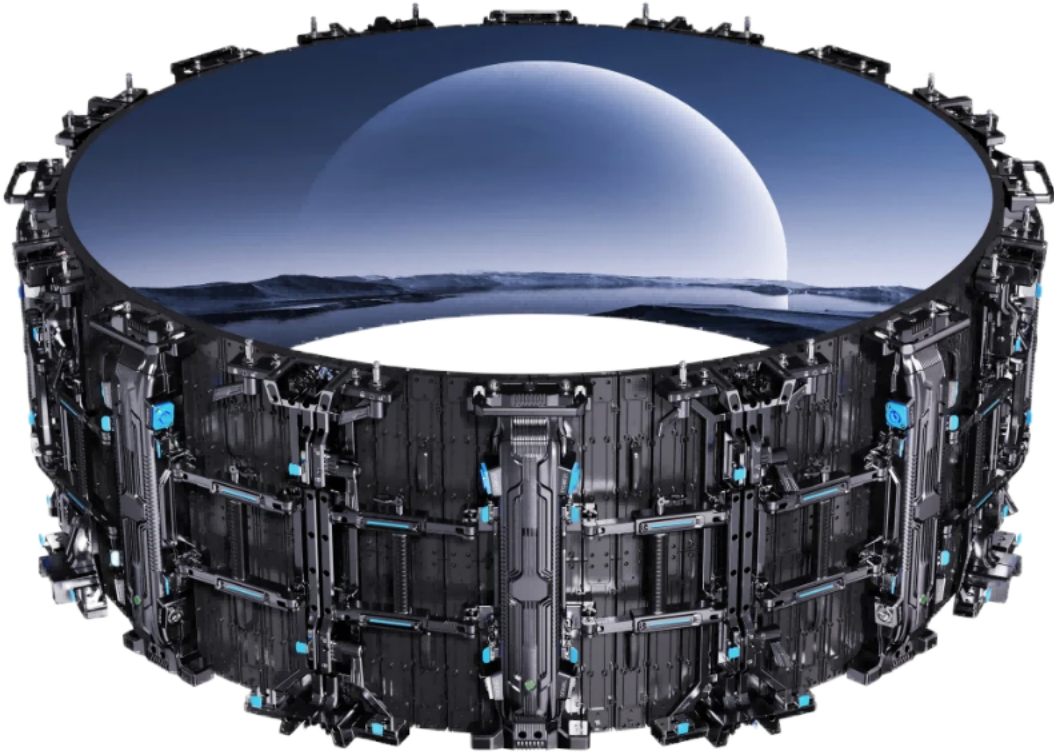

## Flat, curved and corner displays.

A 500 mm cabinet family for varied rental configurations.

**Rental and creative layouts**

# Shape the display around the space

## A common width

500 × 500 mm and 500 × 1,000 mm cabinets support different screen heights within the same format family.

## Geometry follows the build

Flat, 90° corner and flexible  $\pm 22.5^\circ$  configurations use the appropriate cabinet and connection options.

# Configuration at a glance

| Selection           | Indoor                 | Outdoor     |
|---------------------|------------------------|-------------|
| Pixel pitches       | P2.6 / P2.9 / P3.9     | P2.9 / P3.9 |
| Cabinet sizes / mm  | 500 × 500; 500 × 1,000 |             |
| P2.9 pixels, square | 168 × 168              |             |
| P3.9 pixels, square | 128 × 128              |             |

Select the matching flat, flexible or corner configuration for the layout.

# Plan your TLP project

## Project context

Send a plan showing the flat sections, curves and corners.

## Technical needs

Specify indoor or outdoor use, viewing distance and cabinet format.

## Details to confirm

Confirm the rigging, power and service arrangement for the complete display.
